New generation Bobst

C&T International already offers a range of high specification products such as Quicklock Stripping, Blanking, Cutting Plates, Chains, Chase backs, Chase loaders, Bars and Frames compatible with all formats of Bobst Die cutters. We have listened to our customers' needs and it was a natural progression to offer Gripper Bars.

We have many satisfied customers in the U.K. and Ireland already enjoying the fantastic quality and value that C&T have delivered to their production process. So, if your production stops due to a smash up or you are organising your planned maintenance, you can rely on us to deliver your Gripper Bars to enable your machine to be up and running as quickly as possible.
