COUNTAMAT

DURABLE COUNTER MATERIAL

Looking for a high quality durable counter material which offers cleaner cutting, longevity and anti static properties?

THEN WE CONSIDER COUNTAMAT TO BE AN IDEAL SOLUTION.

Supplied as 1070 x 1040 mm sheets, Countamat is a new type of counter die material consisting of two layer fine woven glass cloth. The dense cloth weave ensures durability on press and clean channel cutting, whilst also helping to extend the life of the tool.

Developed by Channel for cleaner routing yet long run durability, Countamat is available with or without Channel's easy peelable adhesive backing and is a tried and trusted product with a number of distributors and their customers.
